Senate Resolution 36

Senator Moore offered the following resolution:

Whereas, The demand for public services by our growing population, and particularly the growth of public school and college enrollments, make it probable that there will be substantial increases in State spending in the biennium beginning September 1, 1971, over and above the amount appropriated for the biennium beginning September 1, 1969, and

Whereas, It appears that the 67th Legislature will face the problem of additional revenue for State operations, and

Whereas, The tax structure of the State of Texas is becoming increasingly complex, and new sources of taxation are constantly being sought to meet the needs of the State, and

Whereas, The preparation of tax legislation is frequently accomplished under great pressure of time and amid great concern that unintended results are being accomplished by proposed bills and amendments thereto, and

Whereas, It has been demonstrated that a committee appointed by the President can render a valuable service in preparing tax legislation and supervising the preparation of tax bills and amendments thereto; now, therefore,

Be It Resolved by the Senate of the State of Texas, That the following be accomplished:

I.

The Committee on Tax Legislation is hereby created, consisting of three members appointed by the President of the Senate, whose terms shall commence upon appointment and termination upon the convening of the next ensuing Regular Session of the Legislature following adoption of this Resolution or until a successor is appointed in their place and stead by the President. Any vacancies occurring in the Committee after appointment from any cause shall be filled by the President, who shall designate the chairman of the Committee. A majority of the Committee's membership is a quorum.

II.

Members of the Committee shall receive no pay for their services but shall be reimbursed from the Contingent Fund of the Senate for necessary expenses actually incurred in the discharge of their duties. The Committee shall employ such persons as it considers advisable, and the pay of such employees shall be as determined by the Committee and approved by the President.

III.

The Committee and its staff shall review all recommendations of the Committee on State and Local Tax Policy and all legislation which is reported favorably from any committee with a recommendation that it do pass, in order to determine that the legislation as drawn will accomplish the desired purpose and not accomplish some unintended purpose, and shall advise the President as to their findings.

IV.

The Committee is authorized to hold public hearings in the interim or during a regular or called session, and it may request and use the aid and services of any corporation, organization, or governmental unit, provided that the same is supplied without pay.

The resolution was read.

Senator Hightower offered the following amendment to the resolution:

Amend S. R. No 36 by adding the following:

Section V. The Committee shall prepare a budget for the operating expense of said committee which shall be submitted to the Contingent Expenses Committee of the Senate. The prior approval of such budget by such Contingent Expenses Committee shall be obtained before any payments may be made from such Contingent Funds. Prior approval by the Contingent Expenses Committee must be obtained before any non-budgeted expenses may be paid.

The amendment was read and was adopted.

The resolution as amended was then adopted.

Hon. Ben Barnes, President of the Senate.

Sir: We, your Committee on Finance, to which was referred H. B. Senate Resolution 38

The Presiding Officer laid before the Senate the following resolution:

Whereas, From now on September 6 will appear on the calendars of members of the Texas Senate as a red-letter day, whether or not a tax bill is finally enacted, since Senators have just learned the hitherto well-kept secret that an illustrious colleague, the Honorable Jack Hightower of Vernon, made his entrance into the world 43 years ago on this date; and

Whereas, Although Senator Hightower did not begin his legislative service until he became a member of the 53rd Legislature, at the age of 27, his ability for oratory was noted at an early age—as a bawling infant, in fact—and his leadership was evidenced in both high school and college; and

Whereas, Born in Memphis, Hall County, Texas, on September 6, 1926, Senator Hightower is the son of Mrs. Floy Hightower and the late Walter Hightower; he was graduated from Memphis High School in 1944, with honors, and served in the United States Navy during World War II; in 1949 he received his BA degree from Baylor University, and his LLB was awarded by the Baylor Law School in 1951; and

Whereas, His first service as a public official began in the House of Representatives, but in January, 1955, he was appointed district attorney of the 46th Judicial District and was reelected in 1956 and 1960; he resigned this position in December 1961; and

Whereas, Governor Price Daniel appointed him to the Texas Law Enforcement Commission, and he served as president of the Texas District and County Attorneys Association

and as vice president of the Texas Junior Bar Association; and

Whereas, In 1962 he was named to the Board of Regents of Midwestern University in Wichita Falls, serving as vice chairman; and

Whereas, He was elected to the Texas Senate in 1964 from the 23rd Senatorial District, and was reelected from the new 30th Senatorial District in 1966; and

Whereas, Senator Hightower has been as successful—or even more so—in his personal life as in his political career: he and his lovely wife, the former Colleen Ward, have three beautiful daughters—Ann, age 16; Amy, who will be 13 on September 26; and Alison, age 9; and

Whereas, Senator Hightower has gained the affection and respect of his fellow members of the Legislature, and as chairman of the Senate's Contingent Expenses Committee he has earned the undying gratitude of his colleagues for his many innovations improving their offices and equipment, his leadership in preserving for posterity the portraits of all former Lieutenant Governors, and his careful stewardship of Contingent Expenses funds; and

Whereas, It is the pleasure of the Senate of the 61st Legislature, 2nd Called Session, to congratulate Senator Jack Hightower upon the happy occasion of his birthday; now, therefore, be it

Resolved by the Senate of the State of Texas, That Senator Jack Hightower is hereby extended Birthday Greetings from the Senate of the 61st Legislature, along with all good wishes for the future; and, be it further

Resolved, That a copy of this Resolution, under the Seal of the Senate, be prepared for Jack and Colleen Hightower and the Hightower girls as their memento of this Day and in token of esteem for Jack by his fellow members of the Texas Senate.

AIKIN

Signed—Lieutenant Governor Ben Barnes; Bates, Bernal, Berry, Blanchard, Bridges, Brooks, Christie, Cole, Connally, Creighton, Grover, Hall, Harrington, Harris, Hazlewood, Herring, Jordan, Kennard, Mauzy, McKool, Moore, Patman, Ratliff, Schwartz, Snelson, Strong, Watson, Wilson, Word.

BE IT RESOLVED that the Senate Conferees on House Bill 4 be authorized to include within the Conference Committee Report the following item:

"Section (3), Article 21.02, Title 122A, Taxation—General, Revised Civil Statutes of Texas, 1925, is amended to read as follows:

Whereas, It is alleged that the State of Texas acting through Texas Technological College in Lubbock, Lubbock County is responsible for

certain damages because on April 11, 1968, it notified J. J. Fritch Company, Inc., not to proceed with the construction of the exterior walks and did not until November 21, 1969, authorize J. J. Fritch Company, Inc., to proceed with the construction of the walks.

Whereas, It is alleged that the State of Texas acting through Texas Technological College in Lubbock, Lubbock County, Texas, is responsible for certain damages because it threatened that it would refuse to make certain partial payments under the contract unless J. Senate Resolution 41

Senator Hall offered the following resolution:

Whereas, Many movie houses in the State of Texas display to the public moving pictures devoid of any substantial social, moral, or ethical values, and which are designed primarily to appeal to the prurient interest or attention of the viewer; now, therefore, be it

Resolved, That the Senate of the 61st Legislature, 2nd Called Session, create a special interim committee to study the motion picture theater industry in Texas with respect to the display of prurient or obscene moving pictures, looking toward the feasibility of prohibiting the showing of these pictures in the State of Texas; and, in addition thereto study the taxing of said movies as a revenue measure and, be it further,

Resolved, That the committee be composed of five members of the Senate, appointed by the Lieutenant Governor, who shall receive actual and necessary expenses in connection with the performance of their duties on the committee; expenses shall be paid from the Contingent Expenses Fund of the Senate, and the committee shall prepare a budget for its

operating expenses, which shall be submitted to the Contingent Expenses Committee of the Senate. The committee shall prepare a budget for its operating expenses, which shall be submitted to the Contingent Expenses Committee of the Senate, and no expenditures shall be made until the budget has been approved. Prior approval of non-budgeted expenditures must also be obtained from the Contingent Expenses Committee of the Senate; and, be it further

Resolved, That the committee shall make its complete report, including findings and recommendations and drafts of any legislation that may be proposed, to the 62nd Legislature when it convenes in January, 1971.

HALL

Senate Resolution 42

Senator Hall offered the following resolution:

Whereas, Texas is blessed with an abundance of natural attractions beyond most states or regions, and

Whereas, Throughout Texas there are numerous bays, inlets, estuaries, rivers, historical towns and villages, campsites, and military establishments, many of which could be utilized as recreational areas and sources of interest to tourists; and

Whereas, In the future there will be an ever increasing need for more recreation areas; and

Whereas, Many of the above mentioned sites and attractions are in danger of destruction or impairment in terms of natural beauty; and

Whereas, It is fitting and proper that the people of Texas should benefit from a study of these sites with a view towards increasing the number of historical sites, parks, and recreation areas; now, therefore be it

Resolved, By the Senate of the State of Texas, 2nd Called Session, that there be created a Committee to be known as The Study Committee on Historical and Recreational Sites, to be composed of five (5) members of the Senate, the Chairman, and members to be named by the Lieutenant Governor, and, be it further

Resolved, That the purpose of such a committee shall be to make a comprehensive study of such sites, to

hold hearings wherever necessary, and to make recommendations to the 62nd Texas Legislature when it convenes; and, be it further

Resolved, That the committee prepare a budget for approval by the Contingent Expenses Committee of the Senate and that all expenditures receive the approval of the Contingent Expenses Committee.

His salary shall be paid out of the General Fund of Galveston County in twelve (12) equal monthly installments."

The Judge of the County Court No. 1 and the Judge of the County Court No. 2 in and for Galveston County shall have concurrent jurisdiction with the Court of Domestic Relations for Galveston County in all cases involving delinquent child proceedings, neglected and dependent child proceedings, and all jurisdiction, powers and authority now or hereafter placed in the Court of Domestic Relations for Galveston County under the juvenile and child welfare laws of this State; provided, however, that such cases shall be originally filed and docketed with the District Clerk of Galveston County, who shall act as clerk in all the above proceedings and who shall maintain all records and assign rotatively and equally each of the cases to the courts having jurisdiction over such matters.

"The Commissioners Court of Galveston County shall appoint a Citizens Juvenile Advisory Board composed of at least fifteen (15) interested citizens who shall consult with the Galveston County Juvenile Board in regard to matters concerning juveniles and may meet at their own discretion as well. The Citizens Juvenile Advisory Board and the Galveston County Juvenile Board shall each elect its own chairman and other officers at the first meeting of each such board following the effective date of this Act, and annually thereafter.

"(b) The members of the Galveston County Juvenile Board shall receive no compensation for their services on said Board.

"(c) The Galveston County Juvenile Board shall appoint a discreet person of good moral character with at least a bachelor's degree in a related major field of study to serve as Chief Juvenile Officer and shall appoint discreet persons of good moral character to serve as Juvenile Officers for Galveston County. The Board shall fix the salaries of and allowances for the said Chief Juvenile Officer and Juvenile Officers and employ a clerk for said office, and the Commissioners Court shall provide the necessary funds for the payment of such salaries and expenses as may be necessary. All claims for expenses of the Chief Juvenile Officer and Juvenile Officers shall be certified by the Chairman of the Board to the said County

Commissioners Court as being necessary in the performance of the duty of such officer. The appointment of said Chief Juvenile Officer and Juvenile Officers shall be filed in the office of the County Clerk of said county, and such officers shall take the oath to perform their duties and file such oaths in the office of the County Clerk of said county. In the event of disqualification of the Judge of the Court of Domestic Relations to try a particular case or because of illness, inability, failure, or refusal of said Judge to hold court at any time, the Juvenile Board may select a Special Judge who shall hold the court and proceed with the business thereof, or said Juvenile Board may request the Presiding Judge of their Administrative Judicial District of Texas to assign a Judge to handle the business of said court pursuant to the provisions of Chapter 156, Acts of the 40th Legislature, Regular Session, 1927, as amended (Article 200a, Vernon's Texas Civil Statutes), and said Judge so selected by the Board or assigned by the Presiding Judge shall be paid for his services in the same manner as provided by the Constitution and Laws of this state for the

payment of District Judges assigned to sit for other District Judges."

Sec. 4. The importance of this legislation and the crowded condition of the calendars in both houses create an emergency and an imperative public necessity that the Constitutional Rule requiring bills to be read on three several days in each house be suspended, and this Rule is hereby suspended; and that this Act take effect and be in force from and after its passage, and it is so enacted.
